Re: Bond Replacement, Plateau Mining Corporation, Star Point Mine, Carbon
County, Utah

POM

Dear Ms. Grubaugh-Littig:

Plateau Mining Corporation (PMC) is submitting the aforementioned. Apparently I made a mistake when I handed you the other two bond replacements on Tuesday, August 10. I had forgotten that the Star Point bond was reduced following Sunnyside Cogeneration's successful permit action for the refuse pile area.

Therefore, the attached bond replacement is correct and must also be signed by the Division. If possible, please make this replacement bond, as well as Willow Creek's and Castle Gate's, official as of July 30, 2004 to avoid us being double charged. The date on this bond, as well as on the Willow Creek and Castle Gate bonds, is effective July 30, 2004.

I have also attached a news release regarding Foundation Coal Company. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Johnny Pappas
Sr. Environmental Engineer

IMPORTANT DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

On November 26, 2002, President Bush signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). The Act establishes a short-term program under which the Federal Government will share in the payment of covered losses caused by certain acts of international terrorism. We are providing you with this notice to inform you of the key features of the Act, and to let you know what effect, if any, the Act will have on your premium.

Under the Act, insurers are required to provide coverage for certain losses caused by international acts of terrorism as defined in the Act. The Act further provides that the Federal Government will pay a share of such losses. Specifically, the Federal Government will pay 90% of the amount of covered losses caused by certain acts of terrorism which is in excess of Travelers' statutorily established deductible for that year. The Act also caps the amount of terrorism-related losses for which the Federal Government or an insurer can be responsible at \$100,000,000,000.00, provided that the insurer has met its deductible.

Please note that passage of the Act does not result in any change in coverage under the attached policy or bond (or the policy or bond being quoted). Please also note that no separate additional premium charge has been made for the terrorism coverage required by the Act. The premium charge that is allocable to such coverage is inseparable from and imbedded in your overall premium, and is no more than one percent of your premium.
